

HAPPY NEW YEAR

To Our Esteemed Shareholders, Valued Stakeholders, Trusted Partners, and Dear Customers,

As we step into 2026, I extend my warmest New Year's greetings and heartfelt gratitude to each of you on behalf of Centurion PLC. The past year has been defined not only by growth, but by meaningful improvements in how we serve and support those who make our progress possible.

Central to our mission has been a resolute focus on enhancing service delivery and customer satisfaction. We have invested deeply in strengthening the systems and processes that underpin every interaction with our Group. From streamlined logistics and responsive support to more personalized engagement, our goal has been clear: to serve you better, faster, and more reliably.

A standout achievement this year has been our freight and shipping division, where MSC has become the leading shipping line into the Maldives—a testament to our commitment to operational excellence, reliability, and market leadership in a critical sector of the national economy.

To ensure that our shareholders and stakeholders receive timely, transparent, and accessible service, we launched Hisaadhaaru Software—a dedicated platform designed to improve communication, provide real-time updates, and streamline shareholder services. This tool reflects our commitment to placing you at the center of our operations.

As we look ahead to 2026, our path forward is guided by a dual promise: to pursue sustainable growth while continuously elevating the quality of our service. We will keep listening, improving, and innovating—so that every engagement with Centurion PLC is marked by trust, efficiency, and value.

Thank you for your unwavering confidence and collaboration. To our shareholders and stakeholders—your trust inspires our discipline. To our partners and customers—your loyalty drives our dedication.

Wishing you and your loved ones a joyful, prosperous, and successful New Year.

With sincere appreciation,

Ahmed Maumoon
Chairman
Centurion PLC
